Board Of Control

BOARD OF CONTROL

Your student government Board of Control was a very busy group this year. These elected and appointed leaders were responsible for organizing and planning the yearly calendar of activities including the traditional Homecoming Color Day and Prom festivities as well as the new "Class of the year" competition. 1980-81 saw many new activities and programs of student recognition as well as an increase in school spirit. The Board of Control wishes to thank the student body and faculty for their support and involvement in the co-curricular program.

If You Can . . .

was presented to audiences on November 20, 21, and 22. It was a gripping, yet comical, mystery story of a Labor Day Week-end honeymoon set in the Catskill Mountains. A mixture of bizzare circumstances and Cordova's missing wife brought forth the dramatic sequence of events for a climactic ending.

Winter Wonderland

. . . Dance on December 5th in the boys' Gym was an enjoyable and successful evening for all involved. The well-dressed couples danced the night away under the flashing lights to music provided by KUTE 102 disc jockey Joe Green. Santa Claus (guess who?) attended the dance and produced smiles by handing out candycanes. He also volunteered to pose with anyone who wished to obtain a picture taken by a photographer positioned in the corner of the Gym. The dancers also enjoyed refreshments and decorations financed by the Student League.

What a night this B.O.C. planned event turned out to be! February 21st was a cool crisp evening enhanced only by the beautiful lit dance floor inside the Lion Country Sarfari Banquet Room. With multi-colored lights and strobes the evening became a magical world of fantasy. The room itself looked over a swan filled lake that was lit only by the full moon. Refreshments were provided free of charge by the Board of Control, who put a great deal of time and effort into this first rate event. The night was enjoyed immensely by all who attended, and fortunately no fatal accidents with lions were reported.

COSTA MESA

The opening game of the season. The Saints were showing their strength as they faced Costa Mesa. The Saints played aggressively throughout the game as the offense scored points and the defense held them to 14 points. Final score was Saints 31, Costa Mesa 14.

EDISON

The Saints went on to bigger and better teams, The Chargers. The Saints played a superb first half, allowing Edison one touch down. The second half proved Edison to be the stronger team as they went on to win 24 to 3.

ESTANCIA

The Saints held onto a lead of 7-0 into the fourth quarter. Then Estancia scored and ran a conversion play, giving the 2 extra points, with 25 seconds left on the clock. This time proved to be insufficient for the Saints to score again, leaving the final score 8 to 7, Estancia.

ORANGE

Going for their first victory in league, the Saints faced Orange at Eddie West Field. The Panthers proved to be no match to The Mighty Saints as they controlled Orange throughout the game. The Saint Defense held The Panthers to a no score game, as the offense gathered up 31 points.

TUSTIN

Before a large Homecoming crowd, The Saints went for their second straight win. Santa Ana's Defense played a superb game, stopping The Tillers twice on the goal line, but the whole team played an aggressive game, to capture the victory 10 to 6.

EL MODENA

The Saints went to Fred Kelly Field to meet the Vanguards. The Vanguards scored first and held the Saints to a low gain throughout the game. In the second half, the Saints generated 10 points to almost capture the victory, but the Vanguards kept the pressure on, and ended the game, 27 to 17.

SANTA ANA VALLEY

The Saints played their crosstown rivals, Santa Ana Valley, and the game was close, with the Saints capturing the lead over Valley 14 to 7, at half-time. Unfortunantly, the Falcons out played the Saints and won, 37 to 14.

VILLA PARK

Coming off a two game losing streak, the Saints went to Kelly Stadium to play the Spartans. On their first possesion, the Saints scored, and held the lead the whole game. The Saint defense held the Spartans to 13 points, as the offense scored 28 more. The Saint CIF hope was still alive!

FOOTHILL

Santa Ana hosted first place Foothill at Eddie West Field. The Saints had to win to keep their play-off hopes alive. The first quarter was Foothills, as they took a quick 14 to 0 lead. Then the Saints scored a touchdown to trail by 7 points at half-time. In the second half, Santa Ana's running and passing attack was too much as they stopped Foothill 28 to 21.

CANYON

The Saints, needing a win for a CIF play-off spot, met the Canyon Comanches at Kelly Stadium. A touchdown and a 43 yard field-goal put the Saints ahead at half-time, 10 to 3. In the second half, Santa Ana showed their CIF desire and stomped the Comanches, 31 to 13.

Anaheim

The saints started C.I.F. action against Anaheim at Glover Field with an exciting 24-21 victory. Anaheim started the same with a quick touchdown, but the score was quickly tied up. Anaheim scored another touchdown to lead halftime 14-7. In the third quarter the two teams traded touchdowns. In the fourth quarter it was all Santa Ana's as they evened the score 21-21. With 8 seconds left on the clock, the Saints kicked a 21 yard field goal to win the first round of C.I.F.

Lynwood

Santa Ana was hosting Lynwood in the second round of C.I.F. Lynwood jumped to an early lead but the Saints came back to tie it up in the second half. Lynwood went on top again but the Saints didn't give up as some costly calls by the officials put an end to the peak season. The final score was Lynwood 28 Santa Ana 21.

SOCCER AT SAINTLAND!!!

Winning has been a tradition with our Saints Soccer program since its beginnings in 1974. Our kickers have won the league every year with the exception of 1976 and 1977, when they finished second. The only elusive title so far has been the CIF championship, but they are working diligently to bring that honor to our school in 1981.

A CHALLENGING SEASON . . .

. . . for the Varsity Volleyball team this year. The team got off to a slow start, which was partly due to the many new players and new coach, Jerry Wyrick, but the team made an astounding come-back and managed to take 4th place in League.

Departing players are: Judy and Jennifer Goldstein, Judy Leatherman, and Maria Estrada.

. . . of 1980 started the year evenly, with 2 wins, 2 losses and a tie in pre-league play. Ill fortune, in the form of injuries and illness, arrived at the same time as league play. With as many as five Varsity players on the disabled list at times, the team's record in League did not live up to expectations, but the girls kept up their spirits.

Leading players were Rocelda Cruz, Captain Tina Helfer and Sarah Bearden. Liset Samkerr and Toni Martinez formed a consistent doubles team which showed improvement as the season progressed.

The girls placed high in the Century League competition. A strong team drove into the season with hopes of reaching the C.I.F. playoffs. This goal was accomplished by hours of practice put forth by a dedicated group of young women. An exceptional offense with Tina Avila, Heather Janis, Jackie Serna, Tracy Brown, Debbie Lara, Cathi Halleen, Dolores Ramos, and Saane Ahohlelei; plus a strong defense with Cindy Savage, Keri Elsner, Diane Hienert, Deseree Seja, Lisa Herrera and Goalie Kathy Nelson provided a strong team.

All the girls are good players with Jannell Sall, Diane Aholehoi, Christi Vining, Brenda Hood, and Cindy Saldana, as a strong offense. The defense is played by Olga Barrera, Angie Tirado, Gayle Chavez, Vicky Chambers, and Adriana Olives, plus an exceptionally good goalie, Esther Chavez.

AN EXCITING AND CHALLENGING SEASON . . .

. . . . was what the Girls' Basketball Team looked forward to. GIRLS CROSS COUNTRY'S SEASON ...

... was exciting and at times even discouraging, but the young and enthusiastic Saints fought every step of the way. Each girl contributed 100% and that is what it's all about. They were always competative and willing, but in the tough Century League, that is not always enough. Next year results are expected as most of the girls will be returning.

THE YOUTH OF POLYNESIA-PARADISE CLUB IS . . .

a newly formed club made up of students from Hawaii, Samoa, Tonga, New Zealand and the Philippines as well as other interested Santa Ana students. The club began its year with the making of candy leis to earn money and to share a little bit of the use of leis in Polynesian culture. Leis were sold at football and basketball games. Our Christmas party was family style as would be true in extended family societies such as are found in Polynesia. Food was shared from each island homeland. Beach parties and campouts with loads of music, food, water and volleyball activities were favorite weekends. From the meetings people gained cultural knowledge of individual islands dances, foods, family styles and traditional games. The Highlight of the year was an invitational assembly where growing knowledge was shared with other Santa Ana High students in dance, music and its place of importance in Polynesian society.

Surfers

after many years of trying to get a surf club at Santa Ana High the first surf club was finally established by Joe Montero and Rick Nolette. The first surf club was mainly established for a group of surfers to get together for a good time at the beach and at school. Hopefully someday this will lead into a surf team.

Girls State Was . . .

. . . a week long seminar where the functions and importance of democracy was taught. This leadership training was held at California State University of Sacremento and sponsored by the American Legion.

During this period, a mock government was planned with cities, counties and state levels. The opportunity to learn about our government was therefore gained by participation within the elections of these seperate levels. I was elected as a State Senator where the bills of our state were developed.

Girls State was a rewarding learning experience. There were many activities planned. Most importantly, the friendships that were gained will always be a special memory of my week.

I definitely recommend it for all students who are willing to participate.

Jeff Johnson

Boys State Was . . .

. . . a week long seminar designed to give young people a practical understanding of the way government operates at all levels. It was held during June at Cal State, Sacramento where over 900 people gathered from all over California to learn more about our government.

Upon arrival, each person was given campaign materials, a bar exam which entitled you to become a practicing attorney (at Boys State) and 100 phile bucks (the Legal currency). Each person was also given the chance to run for offices at the local or state level or for party offices. I was elected Whig party secretary and was in charge of writing the party platform. I was also chosen as the alternate to Boys Nation which was held in Washington D.C.

Boys State Was a fantastic learning experience because one learns by doing. I would certainly recommend it for any student who is interested in learning more about our form of government.

GOAL OF THE GERMAN CLUB IS ...
to provide an opportunity for students to learn more about Germany and its culture. One way that we plan to accomplish this is by going on field trips.

We hope that we will be able to attend a German Camp sometime during April. This field trip will last two days and the students are to speak German only. We hope that with this field trip the students will realize the importance of trying to speak German in order to learn the language well.

THE FRENCH CLUB MEMBERS ARE ..
dedicated to service to the community and to the school. Its members wish to broaden their cultural horizon. The activities of the French Club consist of providing a Christmas party with food and gifts to the patients of a convalescent home, an outing to one of the finer French restaurants in Orange County, going to French films and plays, providing a French luncheon for the staff at S.A.H.S., and enjoying the French culture at its meetings.
